

**Remarks/Arguments:**

This is a reply to the office action of August 19.

The claims have been revised to correct grammar, to provide proper antecedent basis, and otherwise to comply with the requirements of the statute.

Claim 51, which was rejected as being non-statutory, has been canceled.

The remaining claims have been amended by adapting the examiner's suggestions.

In claim 42, we voluntarily inserted the last limitation from claim 22, for consistency.

There were no prior art rejections, so we believe that the claims, as amended above, are in proper form for allowance.

Respectfully submitted,

/Charles Fallow/
